Dear Brenham ISD Faculty/Staff and Brenham Parents/Guardians,

The Texas Department of State Health Services along with the Center for Disease Control (CDC) have been issuing statements with regard to the swine flu outbreak. Brenham ISD administrators are working with our local health officials to stay updated on necessary procedures and precautions.

Additional cleaning and sanitation steps are being taken in our schools and on our buses. As parents we would encourage you to take the following precautions as outlined by the CDC:

- Avoid close contact
- Stay home when you are sick
- Cover your mouth and nose when coughing/sneezing
- Wash your hands often
- Avoid touching your eyes, nose and mouth
- Practice good health habits

If you or a family member have recently traveled outside of the United States, for the safety of all citizens please monitor your health and the health of your children. If Brenham ISD can be of further assistance please feel free to contact campus administration or Central Office at 979-277-3700.

Sincerely,

A handwritten signature in black ink that reads "David Yeager".

David Yeager
