

Internet Access

Brenham ISD is issuing this Request For Proposals for Internet Service and related services.

Proposals should be based on the following factors:

- 1) Bandwidth must be no less than 1.4mb or more than 30mb.
- 2) Access must be provided for either Trans-Texas Video Network/LEARN or CommNet (ESC, Rg. 6).
- 3) Access to programming from ESC, Rg. 6, and/or Texas A&M TTVN, and/or Blinn College must be provided although programming and/or content costs are not to be included in bid.
- 4) Proposals should include provisions for multi-year contract.

Proposals should be submitted to the Brenham ISD by 12:00 Noon on January 20, 2010.
